**Our Mission:** To enhance the value of the student experience at the UC Davis Graduate School of Management by creating a collaborative community that facilitates academic, social, and professional growth. We infuse energy into every activity while building a reputation of innovation and excellence.

The coffee cups have been disappearing from the student lounge, which is not okay because now there are no cups. ASM will be buying cups one more time (detailed email to follow) and also milk/cream.

ASM will be sponsoring a pub crawl on February 1st at 6:30.

For the upcoming club elections, available clubs will be: Consulting, Finance, Marketing, C4C, Net Impact, Women in Leadership, Entrepreneurship, and ASM; so now is the time to start thinking about which clubs you might like to lead. Elections will be held mid quarter – more information to follow.

Finally, there’s a BBQ on Thursday from 4-7pm!
