Lean LaunchPad for Life Sciences and Healthcare

UC-wide entrepreneurial training program

Ideas aren’t enough on their own.

They need to be out in the world—shown to customers, applied to problems and tested against assumptions.

The seven-week Lean LaunchPad + I-Corps Training Program for Life Sciences and Healthcare can help.

WHY PARTICIPATE

• Gather direct customer and partner feedback
• Define clinical utility before investing time + money
• Apply a business model to your idea
• Assess regulatory risk
• Identify financing vehicles

WHO IS ELIGIBLE?

UC Davis Health System students, researchers, postdocs and faculty, plus other team members
