Mark Szczerba currently works as a Consulting Manager within Roll Global’s Strategy Group. Roll Global is a privately held international corporation with diverse interests including agriculture, consumer packaged goods, floral services and more. Roll Global’s companies include Paramount Farms, Paramount Citrus, Fiji Water, Teleflora, POM Wonderful, and Suterra. As part of the Strategy Group, Mark has considerable experience in operations, marketing, and management.

Prior to joining Roll Global, Mark was a post-doctoral fellow in plant biotechnology at the University of California, Davis and went on to join PIPRA, also at the University of California, Davis, working on technology evaluation.

Mark received his Ph.D. in Plant Physiology from the University of Toronto and his B.Sc from the University of Western Ontario.
