WELCOME TO THE
GSM ALUMNI ASSOCIATION

Your GSM Alumni Network
UC Davis MBA graduates automatically become members of the Graduate School of Management Alumni Association (GSMAA). You are also invited to join either of the three Northern California alumni networking groups: Sacramento Business Professionals Networking Group (BPNG), San Francisco Alumni Network (SFAN), or the Silicon Valley Alumni Network (SVAN).

Our Mission
The mission of the GSMAA is to facilitate strong affiliations among fellow alumni, current students, faculty, staff, and the communities we share. The association will foster the continuing professional development of alumni and promote opportunities to enhance the reputation of the School.

Ways to Give Back
• Contribute to the GSM Annual Fund (makeagift.gsm.ucdavis.edu)
• Volunteer on a GSMAA subcommittee, i.e. Student Fellowships, Distinguished Alumni Awards
• Encourage your employer to join the Business Partnership Program
• Hire a GSM alumnus/alumna or student for an internship or career position
• Support GSM students by being a guest speaker at club events or hosting students at your workplace on Shadow Day
• Refer and encourage qualified MBA applicants
• Respond to occasional surveys for ranking purposes

For more information about alumni events and how to stay connected, please visit http://gsm.ucdavis.edu/alumni-resource-center
The GSMAA is governed by a group of alumni volunteers who serve on the board of directors. Board members work closely with the School to identify School, student and alumni needs. They represent fellow graduates and ensure that alumni have a positive impact on the ongoing growth and development of the School.
