- Complete the [Daily Symptom Survey](#).
- Everyone is required to wear face coverings indoors, regardless of vaccination status.
- UC Davis is providing one KN95 or N95 respirator-style mask to students and employees, for voluntary use. This is an optional alternative to offer some level of increased effectiveness in comparison to cloth face coverings. Click here for a [10-minute training](#) on how to properly use an N95 or KN95 respirator.

UPDATE:

- For Winter quarter, fully vaccinated individuals are still required to test at least every 14 days to gain access to university-controlled facilities. Unvaccinated individuals must continue to get tested every four days.

- As of December 21, 2021, all eligible UC Davis affiliates are required to receive a COVID-19 booster vaccination with the exception of those individuals who have a vaccine exemption in place. Proof of booster vaccination must be uploaded to the Health-e-Messaging portal by January 31, 2022 to comply with this systemwide mandate.
