GSM Book Project: Looking at Implicit Bias

Blind Spot

By Mahzarin Banaji & Anthony Greenwald

*In preparation for our [2nd Annual Diversity Symposium](#), we are looking forward to holding informal discussions on the book *Blind Spot*. Reading the book/chapters is great, however not mandatory to join in the lunch discussions. A member of the committee will be there to lead the discussion with highlights of the chapters and discussion questions/activities.*

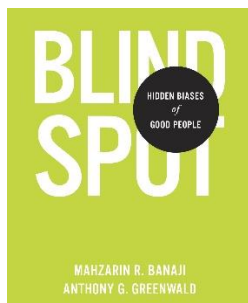

Come join us:
