

Foundations of Veterinary Business Program

There are a total of 6 topics divided into 4 sub-topics each. Please allow 2-3 hours to complete the readings, videos, and knowledge check questions per topic.

Some of the topics may have less relevance in the veterinary setting so are considered optional.

The total course content is equivalent to a 100 hour course and is applicable to CE credits.

18 hours per course (x4 courses)= 72 hours

8 hours in person sessions (x3 days)= 24 hours

4-6 hours group work for capstone project

Total hours: ~100 hours (online=72 in class=24 independent/group work=6)
