MAKE A POSITIVE IMPACT ON THE WORLD

Our Sacramento MBA program is a transformational experience where you’ll learn to think in new ways, expand your network and change the world. You’ll feel the energy and the camaraderie from day one. You’ll balance work and school while earning your degree from the No. 1 MBA program in the state capital—and among the top in the nation.

YOUR COMPETITIVE EDGE

- **Experiential, hands-on learning:** Learn to solve real-world strategic problems for top industry leaders and promising startups.
- **Unique close-knit community:** Collaborate with professionals across the Sacramento region who will challenge you to be your best self.
- **Close relationships with thought leaders:** Work with our world-class research faculty and industry experts to develop lifelong connections.
- **Leadership innovation:** Build your leadership capacity through our pioneering program modeled on approaches used by global companies for their executives.
- **UC Davis expertise:** Dive deep into industries, leveraging our partnerships with UC Davis corporate connections and departments across campus.
- **Career success:** Whether you are looking to move up or switch fields, we work with you to accelerate your career.

CONVENIENT SCHEDULE AND LOCATION

We offer a weekend format, with most classes meeting 2–9 p.m. on alternating Fridays or 9 a.m.–4 p.m. on alternating Saturdays, with breaks and meals.

- **Network** with your classmates and professors at dinner on Friday or lunch on Saturday.
- **Participate** in extracurricular activities, including career workshops, team huddles and student clubs.
- **Mix and match courses:** With our Sacramento MBA and Bay Area MBA classes on the same schedule, you can register for courses across locations.

The UC Davis MBA program, combined with my clinical and science background, helped me build the analytical and leadership skills I need to continue advancing in my healthcare career.

Matthew Bensley, RN MBA 17
Regional Director of Strategy and Programs - Cardiac and Neuro Service Lines | The Permanente Medical Group, Inc.

PROVEN VALUE

Part-Time MBA Graduates

- **60%** Took on a new role
- **83%** Earned higher salaries

YOUR UNIVERSITY OF CALIFORNIA
THE BEST PUBLIC UNIVERSITY IN THE WORLD

Earn your graduate business degree within the world’s premier public university. We’ve built bridges across UC Davis for you to develop your skills and knowledge, gain a competitive professional edge and grow your network.

- **No. 1 worldwide in sustainability**: Leader in research on renewable energy, biofuels, hydrogen pathways, transportation and lighting technology, including the first university-based energy efficiency center in the U.S.
- **No. 1 in the U.S., No. 2 in the world in agriculture**: At the forefront of solving global issues related to food, the environment, health and families.
- **No. 1 globally for veterinary medicine**: Groundbreaking discoveries spanning animal and human health, and clinical services to over 50,000 animal patients in 34 specialties, with programs in 30 countries.
- **UC Davis Health**: World-class academic health center and hospital improving lives and transforming health care as a hub of innovation and a major driver of economic prosperity in Northern California.
- **Global winemaking powerhouse**: For more than 135 years, the Department of Viticulture and Enology has driven innovation in grape growing and winemaking in California and the world.
- **UC Davis Institute for Innovation and Entrepreneurship**: Team up with scientists and engineers to create lab-to-market paths for cutting-edge research—or build your network to launch your own venture.
YOUR PROFESSORS

At the Graduate School of Management, you’ll enjoy close relationships with our dynamic community of scholars and industry experts who will know your name and challenge you to be your best. Our faculty are global leaders in their fields, actively engaged with the business world through pioneering research, knowledge sharing and setting best practices.

Among these trailblazers:

Professor Kimberly Elsbach conducts pioneering research into creative collaboration—including at Mars/Wrigley’s Global Innovation Center in Chicago.

Professor Andrew Hargadon directs the UC Davis Institute for Innovation and Entrepreneurship, and is the author of Sustainable Innovation: Build Your Company’s Capacity to Change the World.

Professor of the Year Marc Lowe shares his deep connections, experience and insights into startups, drawing on his senior executive roles in Silicon Valley. He also advises student teams for Integrated Management Projects, our capstone MBA experience consulting for partner companies.

Our students’ experience is nothing short of transformational. It’s rewarding to watch them become grounded in core business knowledge that serves as their launch pad for a successful career. Their time at UC Davis is also one of introspection, during which they assess personal strengths and opportunities for growth, and fine-tune their goals.

— Professor Shannon Anderson
Teaches in MBA and MPAc programs

WHERE YOU’LL FIND OUR GRADUATES

- Discovering innovative products to help California’s largest public utility’s customers reduce greenhouse gas emissions.
- Bridging technical and business worlds at the leading 3D design, engineering and entertainment software company.
- Directing medical affairs for the third-largest not-for-profit health system in the U.S.
- Launching a company that innovated the “perfect” wine cork alternative.
- Advising clients on global growth at the Big 4 accounting firms.

I gained the communication and teamwork skills necessary for success as an auditor. The helpful professors and many networking opportunities made my dream career come true.

— Susie Wang MPAc ’14
Senior Audit Associate | KPMG US | San Francisco

OUR CAREER ACCELERATOR

OUR TALENT BROKER APPROACH

We help you assess and refine your professional interests, personal values and diverse talents. Our career team uses that information to match you with companies with the best internship and career opportunities.

Our corporate connections are bolstered by our locations spanning Northern California—from the innovation hub of San Francisco to the dynamic state capital of Sacramento, the intersection of business and government.
